

PMPA Members Merit Reporting Form Year _____

It is time to total your merit points for the current calendar year. Please total the points

awarded for each line for merits earned in this year only.

If last year you did not send in a report for previous years, please photocopy this form,

complete it as best you can for each year you have been a PMPA member, indicate what

year each one is for, make a copy for your records, and mail with this year's report.

We now have a database set up so that in the future it will be easy to maintain, but records

of previous years cannot be located. Thank you for your assistance.
